# IUFRO TREE BIOTECHNOLOGY 2027 CONFERENCE

25–30 April 2027 | Stellenbosch, South Africa

## *Intelligent Forests – Facing The Future*

## CALL FOR ABSTRACTS

**DEADLINE EXTENDED TO 16 NOVEMBER 2026**

**There is still time to submit your abstract!**

The abstract submission deadline has been extended to Monday, 16 November 2026, giving researchers additional time to contribute to the scientific programme.

We encourage researchers, scientists and students working in tree biotechnology, genomics, genetics, physiology, genetic engineering and emerging technologies, including artificial intelligence, to share their latest research with the international Tree Biotechnology community.

Submit your abstract by 16 November 2026: https://www.treebiotech2027.org/abstracts

## DISCOVER THE BEAUTIFUL CAPE WINELANDS
### STELLENBOSCH

**Where world-class science meets an exceptional destination**

Situated in the heart of South Africa's beautiful Cape Winelands, Stellenbosch is surrounded by magnificent mountains, rolling vineyards and historic wine estates.

Known for its Cape Dutch architecture, tree-lined streets, excellent restaurants and award-winning wines, Stellenbosch offers visitors a wonderful South African experience.

April is a particularly beautiful time to visit, with mild autumn weather and vineyards changing to their autumn colours.

Delegates will also have the opportunity to experience the beauty of the Winelands during the conference excursion on Wednesday, 28 April 2027, which includes visits to two of the region's well-known wine estates.

Find out more about the conference excursion: https://www.treebiotech2027.org/tour

## EXPLORE SOUTH AFRICA
### HOME OF THE BIG FIVE

**Why not extend your stay and experience an African safari?**

South Africa is home to the famous Big Five – lion, leopard, elephant, rhino and buffalo – and offers some of the world's most memorable wildlife experiences.

This is a great opportunity to extend your stay in South Africa and enjoy an unforgettable safari experience. Visit the famous Kruger National Park or one of the country's many beautiful game reserves for a chance to see the Big Five in their natural habitat.

From the beautiful Cape Winelands to the excitement of an African safari, make the most of your visit to South Africa.

## OUR SPONSORS AND EXHIBITORS

We are pleased to welcome the companies who have confirmed their support of the IUFRO Tree Biotechnology 2027 Conference.

FuturaGene® Yielding the Future

inqaba biotec™

For sponsorship and exhibition opportunities, please visit:
